

2 Litre Fuel Can

SKU: JC002VB

Description

This newly designed 2 litre fuel can combines the best of engineering with the convenience of size, plus the strength, durability and quality you come to expect from us. The high-quality fuel can is especially suitable for motorcycle riders with limited storage space and because it is vapour proof will fit inside your car boot without causing fuel odour issues.

Key Features

- Steel body
- Aluminium cap
- High durability external powder coating
- Fuel resistant internal coating

Suitable for the storage of petrol and diesel. Available with or without spout.
