

20 Litre Plastic Fuel Can

SKU: HUN20-OLIPRO

Description

This high quality 20 Litre UN Certified, HDPE plastic fuel can is suitable for the storage and transportation of diesel and other hazardous goods and fulfils the highest safety requirements. TÜV-tested production and E10 suitable, the fuel can is stackable and comes shipped with a child-proof safety screw top and a flexible spout that is cleverly housed into a recess in the fuel can

Available Colours:

Please note the BLUE 20 Litre version is identical in every way to the olive can and is sometimes used to store AdBlue®. We recommend the correct labelling all fuel / water / AdBlue® cans.
