

3 Litre Gravity Straw Filter

SKU: WVF-GRVSTRAW

Description

Safeguarding against a staggering 99.9% of bacteria (including E.coli and Salmonella), 99.9% of parasites (such as Giardia and Cryptosporidium), and 99.9% of microplastics, silt, sand, and cloudiness, the Wavian Water Filter stands as a beacon of protection in the wilderness. Weighing less than 2 ounces (57 g) and built to withstand the rigours of the wild, its ultralight and durable construction ensure it can accompany you on any adventure.
