

95 Litre CEMO Fuel Trolley

SKU: CE10646 Electric Pump

Description

This 95 litre / 20.8 gallon mobile petrol dispenser is designed for quick and easy transportation on foot thanks to the carry handle and wheels. The tank size is identical to the 100 litre diesel trolley but contains a patented safety explosion-suppressing insert reducing capacity to 95 litres.

Key Features

- Suitable for use under ADR 1.1.3.1c
- Constructed from high-density electrically conductive polyethylene to eliminate static
- Filling Cap with integral breather valve
- Delivery Hose with stop valve
- 300mm diameter pneumatic tyres, air-filled, all-terrain
- 3.2 metre delivery hose
- Internal Baffle
- Integral Nozzle Holder
- Moulded recesses for strapping during transport
