

Flexible Screw Top Pouring Spout - Diesel

SKU: JC00STFSB-D-NEW

Description

Please note this spout is designed to be used exclusively with our 5, 10 and 20 Litre Wavian Screw Top Fuel Cans. It will not fit the Stainless Steel screw top cans. Please note this spout does not fit our 'Site Can'.

Key Features

- End nozzle is shaped specifically for Diesel tanks (Black only)
- Optimum flow is assured when using our spouts with our cans
- Special breathing channel provides steady, glug-free, pouring
- Each spout has an internal filter to protect the tank from dirt and foreign bodies
- Screw Top Fitting for Wavian Fuel Cans
- "Goose-Neck" spout gives additional reach and flexibility

The black spout option has a different diesel fitting end, designed to fit into diesel fuel tanks.
