

Spout Clip for 10/20 Litre Wavian Jerry Can

SKU: JC00SPCS

Description

This clip is attached to the can via two small holes in the handle. This enables the spout to be transported conveniently with the can. Please note: If you purchase a regular Wavian Can compatible Spout from us one of these will be included with your purchase. If you are planning on attaching your Spout to a 5 Litre Wavian Jerry Can you will need a 5 litre spout clip.
