

Wavian Water Bottle 650ml with Filter - Blue

SKU: WVF-BOTTLE-BL

Description

This innovative bottle ensures a safe, quick, and convenient drinking experience by filtering up to 1,500 litres of water throughout its lifespan, without the need for chemicals, pumps, or complex operations. Utilising advanced ultrafiltration membrane technology, the Wavian Water Bottle effectively eliminates 99.9% of bacteria, including Escherichia coli and Klebsiella, ensuring a high level of water purity.
